

Exceptional learning and care

Board Member (Voluntary) Early Learning background

Integricare is a Christian organisation established in 1882 and registered as a charity with the Australian Charities and Not-for-profit Commission. Our purpose is to see children, families and communities experience the love of Jesus, and we do this through our early learning centres and community work.

Role:

We are seeking applicants with a background in early learning either as a Board member, Centre Director or within the sector. We require a person of strong Christian character who is willing to be involved in a voluntary capacity. As an organisation with a clear missional heart, our current Board members are committed to ensuring we remain true to our Christian identity and we seek new members who have the same desire.

Key Responsibilities:

- Providing effective and sound corporate governance.
- Providing wise counsel and guidance in your area of expertise.
- Developing and overseeing the strategic direction of the organisation.
- Ensuring compliance, risk management, performance and financial obligations of the organisation are met.

Acting with honesty, integrity and discretion at all times is expected, along with a willingness to volunteer sufficient time and resources to the organisation. This will include regular attendance at board and committee meetings (between two to six hours per month).

What is required:

Please submit a one-page summary of your experience with early learning, including details of the faith community you belong to, and why you wish to apply for the role on our Board.

Please email your application including a resume and covering letter outlining your relevant experience to info@integricare.org.au If you have any questions, please contact us by email and we will respond accordingly.
