About Us

Integricare is a not for profit Christian organisation committed to providing high quality family and children's services since 1882. An exciting opportunity exists for a qualified early childhood professional to take role of Early Childhood Educator at Integricare Children's Centre Rockdale. This is a 12 months' maternity leave position.

About the Role

Working at Integricare, you will be part of an organisation with a strong heritage and commitment to excellence in all we do. You will have access to opportunities for professional development, operational support and advice, networking with a group of talented professionals, policy development, and the resources of a large, well respected organisation.

Accommodated in a purpose-built centre, our service at Children's Centre Rockdale provides an inclusive and individualised learning program reflecting the Early Years Learning Framework and the NQS. The established, professional team work closely in a collaborative and reflective manner.

About YOU!

Diploma qualified, you will work collaboratively in a team and may lead a team of educators. Drawing on experience and up to the minute knowledge you will observe, evaluate and program and support staff through development and progression of the program. Naturally you will create a physical environment that reflects the educational program and grow the existing strong relationships with families and a very collegiate team

Knowledge of relevant standards, frameworks and legislation will have been gained through experience and your ongoing professional development; while leadership and relational skills will have been gained through meaningful relationships with parents, families and guiding teams of educators.

Current First Aid Certificate and Working with Children Check are essential, as is your commitment to support the Christian ethos of the organisation.
