Early Childhood Educators Multiple opportunities – Full-time, Part-time & Fixer-Term! Rockdale Plaza Early Learning Centre

Integricare is looking for a person with a strong passion for early learning to join our team of professional educators at our Rockdale Plaza centre.

You see this opportunity as more of a calling than just the next step in your career.

You work best in a values-driven environment, where nurturing the heart is just as important as developing the minds of young children.

You see the value in supporting families to help children grow into the best version of themselves.

Your greatest satisfaction is seeing the positive impact you can have in a child's life.

At Integricare we provide a rewarding environment for passionate people who are committed to seeing a new generation flourish. Established since 1882, as a Christian organisation, we have a long history of making a positive impact in communities. Our families tell us that our learning quality and care excellent, and in many cases exceptional. This does not happen by accident, we are only as good as our people, and we are looking for the best of the best.
