At Integricare, our aim is to give every child the best possible start to life, where early learning and nurture go hand in hand. Our desire is to see transformation in the children we care for, their families, and the wider community. We see children as active citizens in their learning, amongst a community of learners, within an environment that is characterised by exceptional care and the love of Jesus.

We are now inviting expressions of interest from suitably qualified and experienced persons for the position of Non-Executive Director on the Integricare Board. The successful applicant(s) will be a collaborative team player with good sector understanding and governance experience. They will have:
